CITY MAP & DIOCLETIAN'S PALACE MAP

CASA SOL
Mediterranean ritual by the sea

A place where design, flavour, and atmosphere move in effortless rhythm. You come for a table, stay for the feeling - warm, unhurried, and quietly unforgettable. Time loosens. The day slows. You stop checking and start being.

All summer long, art performances, live sessions, curated DJ sets and signature dinner shows unfold beneath the open sky, each bringing its own distinct rhythm to the day and night.

Casa Sol invites you to share - long tables, soft corners, easy conversation - where strangers become neighbours, and neighbours become something more.
