

Marul

u svjetlu i tami svojega vremena

*ŠTORIJE, ČAKULE, ŠKANDALI, INTRIGE I
AVANTURE: O MARULU I OKO MARULA.*

Poučna interpretacijska šetnja s Markom i Darkom po Splitu je zamišljena kao živo uozbiljenje duha vremena Marka Marulića u njegovom izvornom prostoru. Split Marulova vremena postoji još i danas, ali samo jednim malim djelićkom sveukupnog ambijenta kojeg današnji Splitski građani doživljavaju svojim gradom. Odnosi među važnim prostornim orijentirima u svakodnevnom životu više nisu isti. Što je prije bilo daleko, danas je blizu, što je nekad bilo dostatno, danas je premalo. Ovo je priča o velikom Splitskaninu svojega i našega vremena, o njegovom i našem prostoru i o rečenim razlikama.

proglašenju 2021/2022. godinom Marka
Marulića, u povodu petstote obljetnice
tiskanja "Judite".*

Marul

In light and darkness Of his own time

**STORIES, GOSSIPS, SCANDALS, INTRIGUES AND
ADVENTURES: ABOUT AND AROUND MARUL**

The educational interpretative walk Darka walks With Marko is conceived as a vivid shaping of the spirit of Marko Marulić's time in its original environment. Split of that time exists even today, but only within one small part of the entire area, which the present inhabitants perceive as their own city. The relation between main parts of daily life is no longer the same. Once far away, today close; once enough, today insufficient. This is a story about a great person and his Split that we experience as our beautiful town. In our daily walks we are pointing out the changes.

The Croatian Parliament passed a Decision on declaring 2021/2022 the "Year of Marko Marulić" to mark the 500th anniversary of the publication of the poem "Judita"
